

## EXPLORE MAKES THE GRADE AGAIN! Condé Nast Traveler honors EXPLORE

Cherri Briggs of EXPLORE INC has been named one of Condé Nast Traveler's Top Travel Specialists for the 12th year in a row!

*From Condé Nast Traveler editor Wendy Perrin:*

*"The travel planners collected here represent the best blend of destination knowledge, insider connections, user-friendliness, and value for your dollar that I've found in more than two decades of scrutinizing the travel industry for this magazine. They have all been road-tested by Condé Nast Traveler readers, editors, or both. Of the more than 10,000 travel agents and tour operators who have tried to break onto this list since its inception 12 years ago, only a tiny fraction have made the grade-this year a mere 133 specialists. Getting into this group is, statistically speaking, tougher than getting into Harvard. Staying on it is tougher still: It requires not only an absence of valid reader complaints but also ongoing positive assessments from both readers and editors."*
