Africa

East and Southern Africa

Cherri Briggs

Briggs's feet-on-the-ground approach (she spends at least six months a year in Africa) gives her incredible insight into the practical concerns of safaris: when deltas are flooding, where animals are migrating, and the pros and cons of lodges (like which have plunge pools in the shade).

Best for family and honeymoon safaris 970-871-0065; cherri@exploreafrika.net
